**STIPULATED ORDER EXTENDING
DISPOSITIVE MOTION DEADLINE ONLY**

The parties hereto, by and through their respective counsel, jointly request an extension of the dispositive motion deadline only, based on good cause set forth below.

1. The parties have been working collaboratively on discovery in this matter. The parties have completed approximately 12 depositions and have

exchanged thousands of pages of documents. As a result of scheduling delays caused by the availability of Defendant Glenn Cerny and the unavailability of a defense witness due to a medical procedure, the last of the depositions were only recently completed. As a result of information learned in these depositions, Plaintiff has requested additional documents from Defendants.

2. In addition, the parties are awaiting a decision on Plaintiff's Motion for Leave to Amend his Complaint, which is an important motion for the Court to decide prior to summary judgment briefing.

2. Subject to the Court's approval, the parties are in agreement that the dispositive motion deadline, currently set for Monday, January 15, 2024, should be extended by two (2) weeks to allow adequate time for the parties to obtain the remaining deposition transcripts and follow-up discovery, which shall be needed to prepare dispositive motions. The additional two (2) weeks will also allow sufficient time for a decision on Plaintiff's Motion for Leave to Amend, which decision may impact the dispositive motion briefing.

IT IS ORDERED that the deadline for dispositive motions to be filed is extended from Monday, January 15, 2024 until Monday, January 29, 2024.

IT IS SO ORDERED.
